USER MANUAL

MODEL 709033

MANHATTAN

MAN-709033-UM-0308-02

Thank you for purchasing the MANHATTAN® eSATA, 3.5" Drive Enclosure, Model 709033.

Fully SATA-capable and equipped with SATA L-type internal and eSATA I-type external data ports, it quickly transfers data without conversion between SATA-enabled systems. Hi-Speed USB 2.0 connections offer convenient and versatile data storage, transfer and recovery solutions. Plus:

- Supports data transfer rates for Hi-Speed USB 2.0 up to 480 Mbps and SATA up to 3 Gbps
- Lightweight, compact design ideal for portable storage
- Sturdy aluminum case protects drive and facilitates cooling
- Fits standard 3.5" SATA drives with easy, quick installation and rear-mount power switch
- Windows and Macintosh compatible, Plug and Play, hot swappable
- Lifetime Warranty

Package contents:

- Drive Enclosure
- eSATA and USB cables, power adapter
- User manual and stand

System requirements:

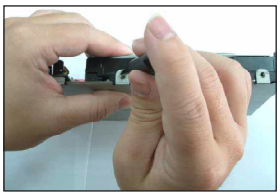
- eSATA-enabled PC or Macintosh
- Available eSATA port
- Windows 2000/XP/Vista/7 or Mac OS 10.x and above

HARDWARE INSTALLATION

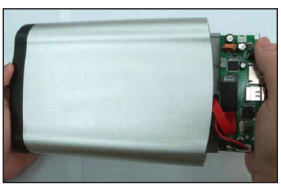
NOTE: Images are for example only. Actual positions of switches or connectors may vary slightly.

1. Open the enclosure.

2. Connect the power and SATA cables to the HDD.

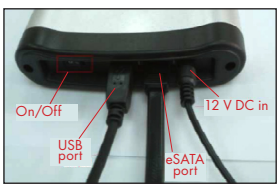


3. Tighten the sides screws to secure the HDD.



4. Slide the connected hard disk drive inside the enclosure.

5. Replace and tighten the two retaining screws to secure the rear panel.

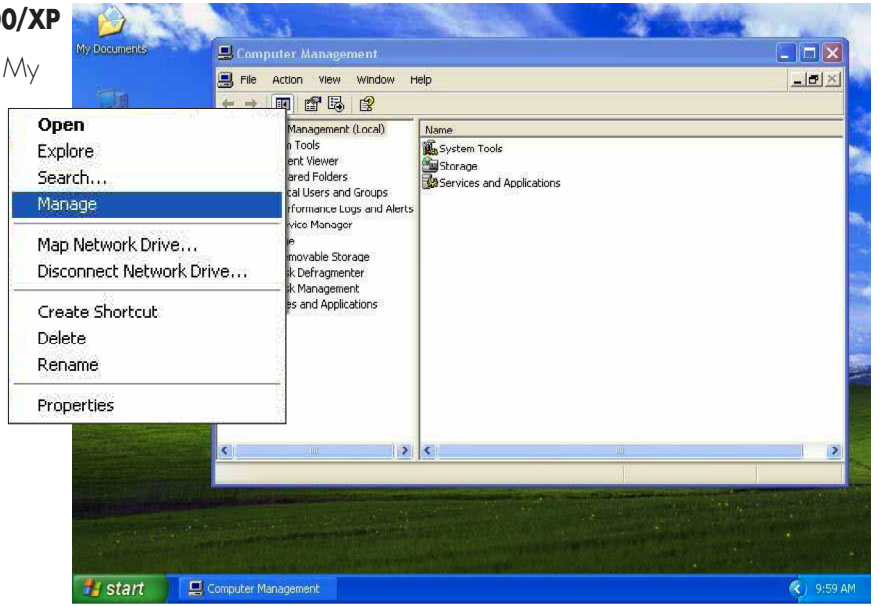


6. Connect the external cables.

SOFTWARE INSTALLATION

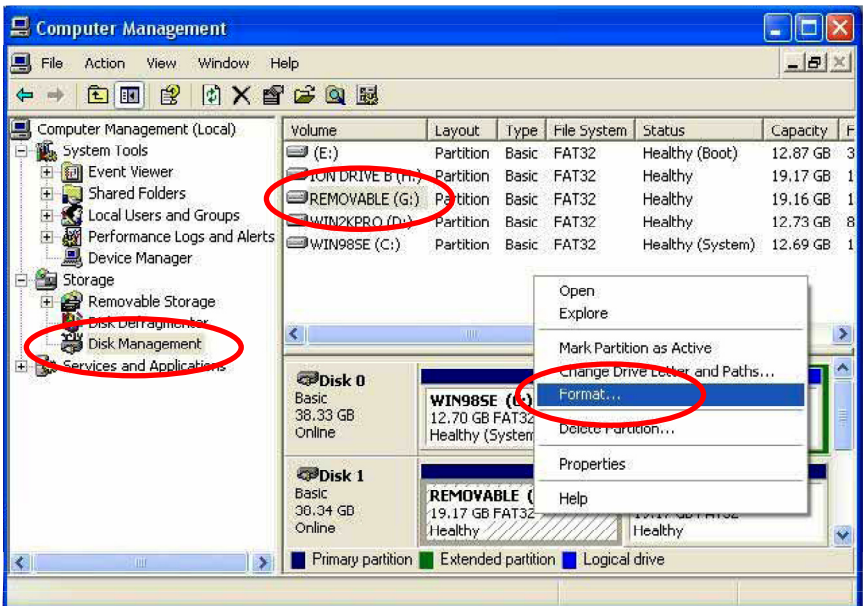
Windows 2000/XP

1. Click on the My Computer icon; click "Manage" to initialize the hard disk drive.

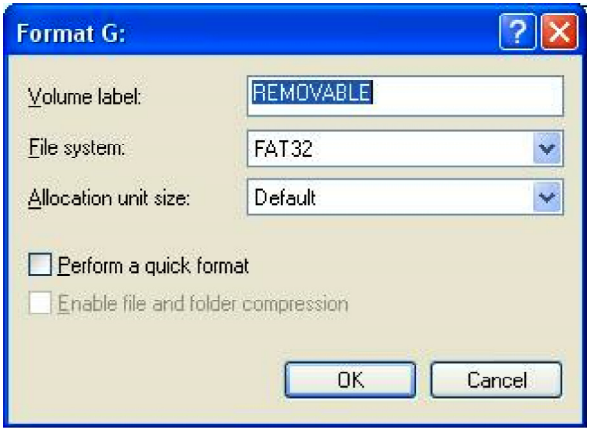


MANHATTAN

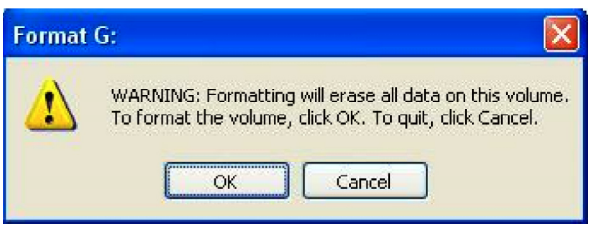
2. Click "Disk Management," then click "Removable Disk," then click "Format."



3. Confirm that "Removable" and "FAT32" are entered/selected in the "Volume label" and "File system" fields, respectively. Click "OK."



4. When the warning prompt appears, click "OK."



Format G:
WARNING: Formatting will erase all data on this volume.
To format the volume, click OK. To quit, click Cancel.
OK
Cancel

MANHATTAN

5. Click "My Computer" and confirm that the new "Removable" icon appears. The Drive Enclosure with hard disk drive is now ready for use.
